😊 MRS FROST-BRIGGS' WALL OF JOY! 😊

I asked some staff how the second week had been going... look at what they said and how well you are doing!
We're so proud of you!

DAY 6

To see genuine, happy smiling older students returning to school with a " Hello Miss, how are you?" looking much taller and smart is just lovely.
Meeting Year 7s on the first day and how worried they were about " everything" "getting lost, detentions" to now, happy and well settled. Well done Year 7! **Mrs Ball**

So impressed by the attitude and hard work of my Year 10 groups, they seem really motivated and pleased to be back in a learning environment, collaborating on new ideas together and getting to know one another.
Keep up the good work! **Mr Howes**

Its really surprised me how well students have took on board all the changes and have settled back in really well. Especially how Year 7s have settled. I love seeing all the smiling faces and polite students in the classes I've worked in and around school. It's been great to see you all again. **Mrs Barnett**

REMINDER:

All students must put their mobile phone away and out of sight from 8:50am until the end of the school day.

If you ignore this and are challenged by a member of staff for having your phone out, they will sign your SMART card.

Three ticks on your SMART card = a detention with your Year Performance Leader.

This is an easy one to get right please.
