☺ **MRS FROST-BRIGGS' WALL OF JOY!** ☺

I asked some staff how the second week had been going... look at what they said and how well you are doing!
We're so proud of you!

DAY 5

Well done to the sixth form in general and specifically to my groups who have returned to school positive and patient as well as being superb role models to the rest of the school through their conduct. **Mrs Croft**

It's been so nice to see everyone back in school and working hard! I've been particularly pleased with the start my Year 10 group have made to GCSE Spanish and how all the classes have settled back into lessons, especially my Year 11s on a Friday Period 5!
Miss Mumby

Very impressed with how the Year12 and Year13 French students embraced the return to school! They prepared themselves fantastically over the past weeks and started this new academic year "sur les chapeaux de roues" !! (full throttle)
Mrs Panczuk

I've really enjoyed my first few weeks in post as Assistant Head Teacher. The students I've met so far are fantastic and I love how positive and polite everyone has been.

And in the up-lifting news department...

DAY 5

Here's Frank!!! Mr Vinter's new rescue dog. He's a greyhound, 5 years old, quite a challenge but completely adorable too! Mr V has used pictures of him to teach lots of new grammar and vocabulary this year so far... 'I really like him although he can be dangerous!' ... 'He is always hungry' ... 'He has very short black hair (can't do that one about myself any more) and very long legs.' ... 'We have had Frank for eight weeks.' I am sure this list will grow! **Mr Vinter**

Hygiene rule for lessons in computer rooms

You no longer have to wear gloves to use the computers in lessons. Instead..

- Sanitise your hands thoroughly as you enter the computer room.
- Wipe down your desk and top of the chair as normal
- Wipe down your keyboard and mouse thoroughly
- Sanitise your hands as you leave the room

In addition to this you can still wear gloves if you would like. Your teacher will still provide them.

Reminders still relevant from
last week...

What could look like this to you....

FRIENDS, HAPPINESS, RELAXING, HAVING A LAUGH, DOING NO HARM, BEING TOGETHER

Could look like this to a member of the public....

NOT SOCIALLY DISTANCING, INTIMIDATING, LARGE GROUP, BLOCKING ENTRANCE TO SHOP, TAKING UP PAVEMENT, SOUNDING LOUD AND SCARY

When out and about, on the precinct etc. please be considerate, socially distance, stand aside, don't block shop entrances and think of others. **How would you want your Gran to feel out and about in Kimberley?**

Chief Medical Officer Professor Chris Whitty says:

“As we approach winter and inevitably spend more time indoors, we need the public to keep following this important advice to control the spread of the virus”.

‘Hands. Face. Space’ emphasises important elements of the guidance that the Government want everybody to remember:

1. wash your hands regularly
2. use a face covering when social distancing is not possible
3. try to keep your distance from those not in your household

Following these simple steps could make a significant difference in reducing the transmission of COVID-19 and help protect you and your family from the virus

We need to reduce the amount of students visiting Student Support Centre in the mornings before school.

To help us, you should:

- When you arrive in school go straight to your period 1 lesson
- Your teacher is there and available from 8:30am. Ask whatever question you have and they will try to help you if they can
- Only go to Student Support if it is urgent. Printing a new timetable is not urgent. A teacher can send an email for this. **Thank you.**

Reminder: no close contact

You should not have any close contact with any other student or member of staff at all. If you have skin-to-skin contact with anyone else, you are putting yourselves at increased risk. This means we all need to be particularly careful.

The vast majority of you are getting it right, thank you.

A small minority are forgetting this at break and lunchtime when wanting to play games and entertain each other. Find ways of spending break time without making skin-to-skin contact with someone else please.
