

Year 6 Newsletter 3

14th July 2020

Welcome to the 3rd Year 6 Newsletter!

The Year 7 Pastoral team has worked to design this newsletter for both our students and parents/carers. In this, we will aim to bring good news, top tips, quizzes, important information as well as giving you an insight into what work is being completed by our students at Kimberley School during this period

In the National News this week...

12th July mark 'National Simplicity day'

Sunday 12th July saw 'National Simplicity Day 2020'.

This day was founded in honor of Henry David Thoreau who was an advocate of living simply and wrote a number of well-known books.

People stopped using technology like mobile phones, laptops and other modern day gadgets to enable us to gather our thoughts and spend time together.

How long could you last without technology?!

In the world of Year 6 ...

- Well done to every who have completed week 1 of transition work ... week 2 is on Show My Homework now!
- Mr Bacon's 3rd weekly assembly is also live on the school website so take a look!

WE WANT TO HEAR FROM YOU!

Please share with us any achievements or things you think you've done well. This could be a picture or something they are proud of, please send in to Mr Bacon and we can place in the newsletter to share positive news.

Top Tip of the Week

'Keep a healthy balance'

Make sure you are balancing your work/activities.

Make sure you find the right balance in terms of how much you use your phone/laptop/technology

Continue to get active every day!
