

Help Your School to Be the Most Active!

Dear Parent/Guardian,

We are delighted to be able to offer you free access to The School Games Active Championships.

The School Games Active Championships is a national activity campaign to help young people across the UK to stay active at home, and while distancing at school; with opportunity for everyone to be part of their school team, and to achieve their personal best.

New challenges will be available to engage with every Monday, Wednesday, and Friday; with participants able to choose to submit their video for 'virtual coaching', or to simply to have fun and challenge themselves and family at home.

If you chose to submit entries, there are national league tables for all age groups and genders, including adults, so we hope to see lots of parents, guardians, and teachers getting involved!

Further information, including simple video instructions, can be found at www.broxtoweactiveschools.co.uk/sgac, which will also be updated with a Broxtowe participation based league table, and highlight reels.

The Kimberley School has been given the access code **25494**. When downloading the TopYa! Active app you should enter this code to ensure that you can earn points in your own school leaderboard. Can you help your school to be the most active in the district, county, or country!?

The TopYa! Active app is committed to online safety and meets rigorous COPPA and GDPR safeguarding standards. No one can communicate within the app. All children can do to communicate with one another is give each other a virtual 'high-five', which functions like a social media 'like'.

Video content has been approved by The Youth Sports Trust, and is suitable for young people of all ages and abilities, with regular challenges submitted by National Governing Bodies of Sport.

Visit the Broxtowe Active Schools website for more ideas on how to stay active, and don't forget that it's national school sports week at home from the 20th – 26th June, sign up as an individual or school now: www.youthsporttrust.org/national-school-sport-week-home.

Please do contact us if you require any support or advice.

Warm regards

Steve
